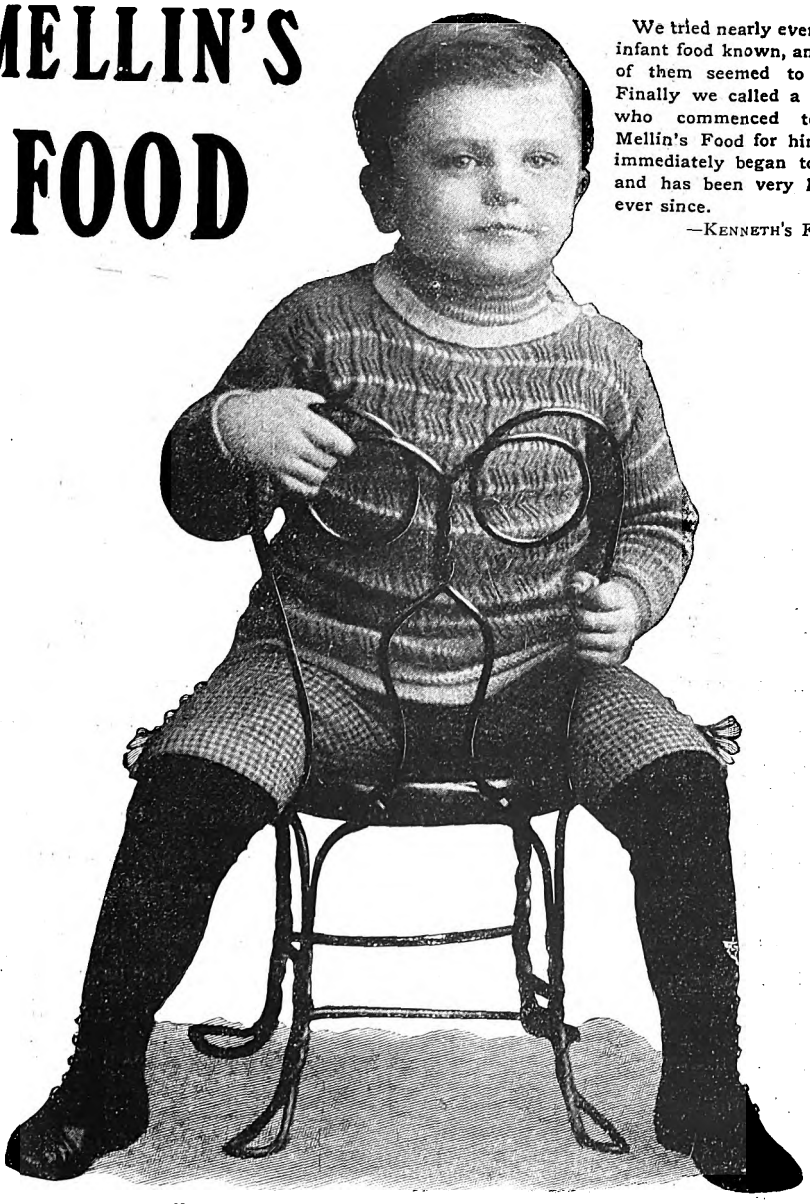
MELLIN'S FOOD

We tried nearly every other infant food known, and none of them seemed to agree. Finally we called a doctor, who commenced to use Mellin's Food for him. He immediately began to gain, and has been very healthy ever since.

—KENNETH'S FATHER.



KENNETH LESTER FOX, *Three and one-half years old.*

"Madam, do you love your children?"

—SHAKESPEARE.

Then it will be your first care to ensure to them health and happiness in the future, by providing them with the food which nature intended should be used for their proper growth and nourishment during childhood.

MELLIN'S FOOD is an accurate article of diet, prepared on nature's plan.

To be obtained of all Dealers throughout India, Burma and Ceylon.

MELLIN'S FOOD

For INFANTS and INVALIDS.

MELLIN'S FOOD is prepared from wheat and malted barley by machinery, is therefore **purely vegetable,** and during its preparation is **untouched by hand.**

MELLIN'S FOOD is a soluble dry extract, entirely free from starch and cane-sugar; the starch of the wheat having been transformed into dextrin and maltose by malt diastase. When added to diluted cow's milk **it produces a complete and perfect diet.**

MELLIN'S FOOD supplies materials by which diluted cow's milk is converted into an **ideal food for Infants and Invalids**; and **IT ASSURES THE DIGESTION OF THE MILK BY THE INFANT.** The character of cow's milk is so changed by the addition of Mellin's Food that the preparation is adapted for use from birth. By the use of Mellin's Food, and the exercise of proper care, those diseases which make such frightful havoc among infants in India and the East generally, such as diarrhœa, convulsions, the various wasting diseases, have been largely decreased.

Send to any of the Agents mentioned below for book of pictures and testimonials.

MELLIN'S FOOD for a light, sustaining, and highly nutritious diet, adapted for the use of all.

Samples and Pamphlet on the "Care of Infants in India," from the following Wholesale Agents—**BOMBAY**—H. J. RUSTOMJEE & Co. **CALCUTTA**—MACKENZIE, LYALL & Co. **COCANADA**—HALL, WILSON & Co. **KURRACHEE**—H. J. RUSTOMJEE & Co. **MADRAS**—OAKES & Co., LTD. **RANGOON**—LATHAM, BLACK & Co.

INDIAN MEDICAL GAZETTE.

THE JOURNAL OF THE INDIAN MEDICAL SERVICE.

A Monthly Record of Medicine, Surgery and Public Health, and of General Medical Intelligence, Indian and European, with special Attention to Diseases of Tropical Countries.

Edited by Major W. J. BUCHANAN, B.A., M.D., D.Ph., I.M.S.

Associate Editors—Lt.-Col. J. MAITLAND, M.D., I.M.S., Madras; Major W. E. JENNINGS, M.D., D.P.H., I.M.S., Bombay; and Major C. DUER, M.B., F.R.C.S., I.M.S., Burma.

Published monthly. Subscription, Rs. 12 per annum. Single copy, Re. 1-4.

The *Indian Medical Gazette* was founded in 1865. It is consequently by far the oldest Medical Journal in India, and has earned for itself a world-wide reputation by its solid contribution to Tropical Medicine and Surgery. It is in every way *the most important* representative medium for recording the work and experience of the medical profession in India, and by means of *its Exchanges* with all the leading journals in Great Britain, America and Australia, as well as by its foreign exchanges with leading French, German and Italian medical periodicals, it is enabled to diffuse information on all tropical diseases culled from an unusual variety of sources.

The Gazette is now thoroughly representative of all ranks of the profession in India. The reviews of *Current Medical Literature* are intrusted to medical officers in India with special knowledge and experience of the subject with which they deal: they consist of résumés of the most important contemporary work in the various departments of medicine and are as follows:— (1) **Tropical Medicine**; (2) **Surgery**; (3) **Obstetrics and Gynæcology**; (4) **Special Senses** (Eye, Ear, etc.); (5) **Bacteriology and Pathology**; (6) **Public Health and Sanitation**; and (7) **Military Medicine and Surgery**.
